MEMORANDUM FOR THE RECORD

Morning Meeting of 31 July 1967

25X1

Godfrey noted that Haiti was on military alert for what appeared to be insufficient reason.

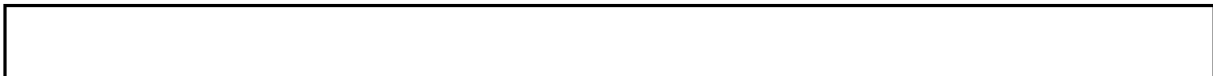

Godfrey discussed the internal ChiCom scene.

The Director discussed with Godfrey this morning's Evans-Novak column. (See Action 1)

Kent briefed the Director on the status of the four NIE's before USIB this week.

DD/S&T noted that a CORONA shot is scheduled for tomorrow.

DD/S&T reported that the problem of arranging an agreed release for the Joint Committee appears to have been solved.

25X1

DDCI said that the Soviet submarine development memorandum was well received in the Pentagon.

DDCI asked the ADD/I to ascertain from  the status of GLASS LAMP coverage.

25X1

The Director discussed the importance of the Latin American Organization of Solidarity conference.
